About Me

I am a dedicated professional who combines technical expertise with a warm, collaborative approach to drive impactful results. I value continuous growth and authentic expression, always striving to balance professional excellence with a solutions-oriented mindset. Grounded and adaptable, I am committed to delivering quality work while building meaningful connections.

WORK EXPERIENCE

November 2022 - March 2026
VXI GLOBAL HOLDINGS INC. LLC
BILLING ANALYST

- **Financial Data Management:** Accurately process, verify, and reconcile high-volume billing transactions and invoices to ensure financial integrity and minimize revenue leakage.
- **Dispute Resolution & Analysis:** Investigate and resolve complex billing discrepancies and client inquiries by analyzing historical data and collaborating with cross-functional teams.
- **Reporting & Compliance:** Generate detailed monthly financial reports and dashboards to track key performance metrics and ensure all billing processes adhere to company policies and industry regulations.

May 2017 - June 2019
VXI GLOBAL HOLDINGS INC. LLC
REPORTING ANALYST

- **Data Visualization & Reporting:** Design and maintain interactive dashboards and comprehensive reports using tools like Excel, Power BI, or Tableau to translate complex datasets into actionable business insights.
- **Data Integrity & Maintenance:** Perform regular data audits and validation checks to ensure the accuracy, consistency, and reliability of all automated and manual reporting outputs.
